Calm

Lat in  
22 29

Remarks Sunday Jan 4<sup>th</sup> 1829  
This day begins with gentle gails  
Middle part calm saw a vessel too the windward in  
at night with her colours set in the rigem being  
some distance we set ours and remained untill morning at  
8 A.M. the captain ordered a boat down and went a long side of  
her and at 9 returned with her boat we gave them water &  
bread of which they were short it was schooner *Barwick* 28 days  
from Charlottown bound too her harges all well looking bad

all well and in good health thus ends this day

Weds day 25<sup>th</sup> Nothing to be remarked except  
fine weather and no fish

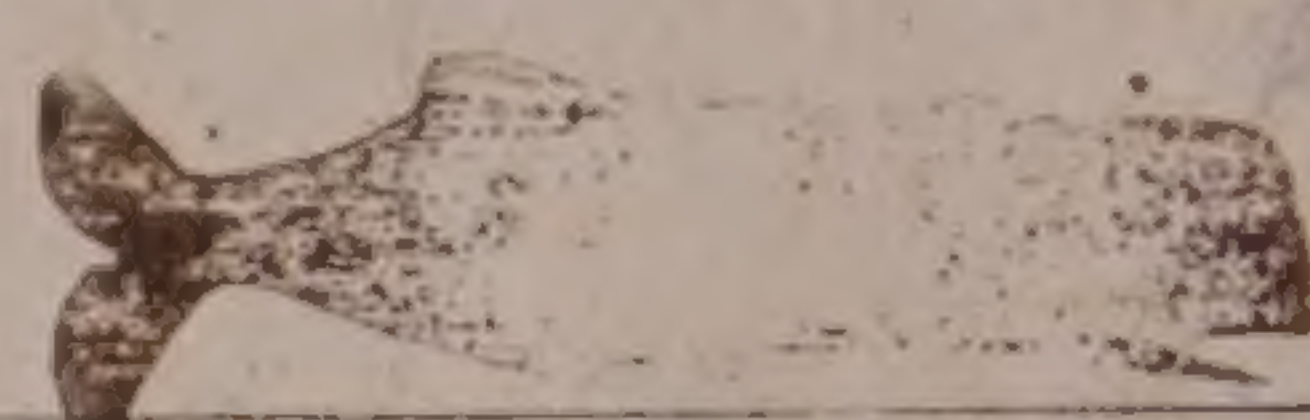

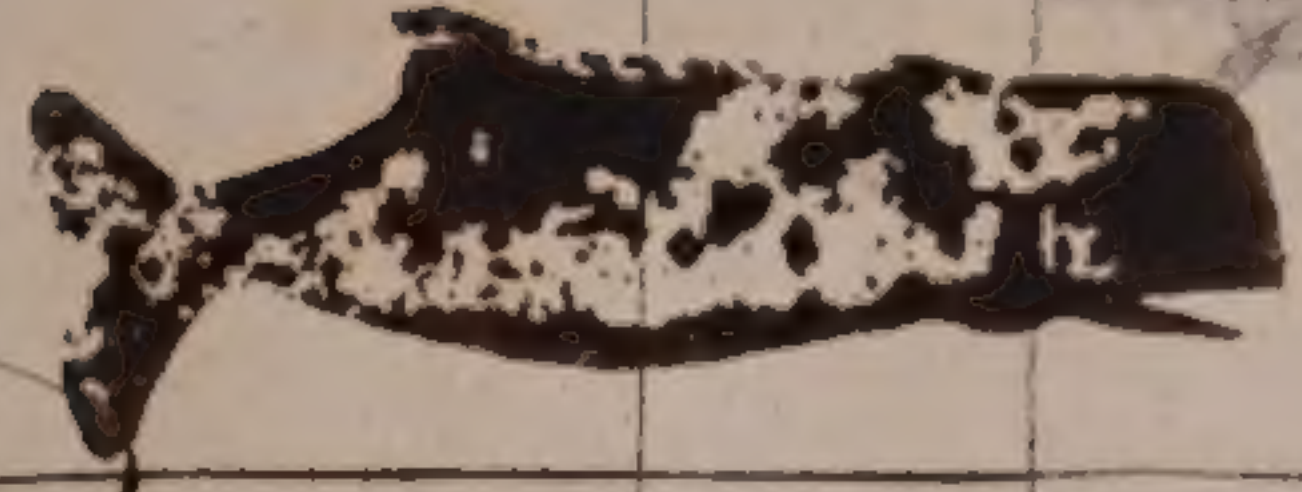

Thurs day 26 <sup>th</sup>	saw a great number of porpoises caught 2 of them still cruising off yamaca still fine weather
Fri day 27 <sup>th</sup>	Nothing to be remarked but fine weather fore part of the day a breeze from the land and latter part sea breeze from the W
Sat day 28 <sup>th</sup>	fore part of this 24 hours attended with pleasant weather latter part still moderate gails from the S & E
Sunday March 1 <sup>st</sup> 1829	This 24 hours attended with gentle gails from south east at 8 P. M. saw a large school of black fish went in per suite of them and caught 2 of them fine growing showers from of the land thus ends this 24 hours
Monday 2 <sup>nd</sup>	fore part calm and frequent showers of rain from the land latter part fresh gail from the north
Tues day 3 <sup>rd</sup>	this day begins with fresh gail at knight fine growing showers of rain latter part light winds
Weds day 4 <sup>th</sup>	fore part of this day calm at knight had wind and rain from of the land saw some porpoises but no whail
Thurs day 5 <sup>th</sup>	Frequent showers of rain from off the land at knight the winds fresh and variable still cruising off yamaca
Friday 6 <sup>th</sup>	This day commences with calm and rough sea at knight small breeze from the land with showers of rain lightning thunder was heard at a distance too roar a dreadful din latter part saw some porpoises fresh gails from South
Sat day 7 <sup>th</sup>	this 24 hours attended with fresh gail from the S & E at 4 A M took in sail
Sun day 8 <sup>th</sup>	this day begins with fresh gail at knight more moderate latter part frequent showers of rain and gusts of wind thus ends this day
Mon day 9 <sup>th</sup>	this day also attended with good weather still cruising off yamaca all well &c thus ends this 24 hours

[137]

Sun day 10<sup>th</sup> This 24 hours begins with pleasant weather at 5 P.M. saw a school of sperm whales at a long distance and just at knight and every man leaped in the boat to his station and buckling their oars and the boat bounded and skipped from sea to sea and even cut fled the winds and at the sun going down we had come up with them we now hurled death among them which greatly diminished their number we took 2 and scattered the rest returned on board at 12 o'clock at 5 P.M. cut them in thus ends this day

Tues day 11<sup>th</sup> Commenced tarring out the oil at 5 P.M. saw a schooner to the lee of us and increasing breeze all hands well and employed in the ships duty thus ends this day

Thurs day 12<sup>th</sup> Fresh gail the schooner has come up with us Capt. M. went on board just at knight it proved to be the regulator of Scudford bound on a whaling cruise no oil stored down 24 barrels of sperm oil. Capt. M. showed the trick by sealing the whales first and the money still lays

Fri day 13<sup>th</sup> This 24 hours attended with gentle gails no rain for some days still cruising off Jamaica

Sat day 14<sup>th</sup> Fore part of this day light winds at knight calm latter part gentle gails no whail to day

Sun day 15<sup>th</sup> gentle breeze at knight fine growing showers of rain still cruising off Jamaica a number of sail passing and repassing latter part fresh gail the regulator still in company

Mon day 16<sup>th</sup> This day begins with an increasing breeze at knight rain and sudden gusts of wind latter part fresh gails

Tues day 17<sup>th</sup> This 24 hours attended with strong gail and strong sea current eared sail all day and knight fresh gail still so.

Weds day 18<sup>th</sup> Very squally thick flying clouds the wind at south east at knight calm and rough sea latter part fresh breeze

Thurs day 19<sup>th</sup> this day attended pleasant weather saw a number of vessels passing still cruising off Jamaica the west end of that Island no whail thus ends this day

Fri day 20<sup>th</sup> <sup>March</sup> Fore part of this 24 hours gentle gails from the S<sup>E</sup> &  
at 6 P.M. saw the schooner regulator to the windward of us  
and towing whail latter part in increasing breeze &c

Sat day 21<sup>st</sup> First part of this 24 hours calm at 6 P.M. the wind  
came from off the land a strong current setting to the S<sup>E</sup> and  
a strong breeze to encounter with thus ends this 24 hours

Sun day 22<sup>nd</sup> Fresh gails fore part of this day at night more moderate  
latter part gentle gails at or about meridian spoke the schooner regulator  
and she hailed 10 barrels of sperm oil Capt Mayhew went on board light wind &c

Mon day 23<sup>rd</sup> Gentle breeze saw a great quantity of birds and fish  
latter part gentle gails and calm thus ends this day

Tus day 24<sup>th</sup> Fore part of this 24 hours gentle gails saw an innumerable  
number of birds and fish &c on board the fore topsail too repair it &c

Wene day 25<sup>th</sup> Complicated the sail and bent him captain tiller came on board  
from the regulator and returned in the even gentle gails and &c  
thus ends this 24 hours

Tues day 26<sup>th</sup> This 24 hours commences with light winds from the S<sup>E</sup> & easterly  
broke out the hole for water and parted with the schooner regulator  
latter part calm saw nothing worth remark this 24 hours

Friday 27<sup>th</sup> this day attend with gentle gails  
latter part fine weather and no fish thus ends this day

Sat day 28<sup>th</sup> Fore part of this 24 hours gentle gails the boat went on  
shore latter part ~~the~~ strong gails the brig under reef topsails  
split the clew of the main sail the boat returned with some bags  
a few lines all is well and chere full thus ends this 24 hours

Sun day 29<sup>th</sup> Fresh gail from the S<sup>E</sup> & at meridian saw a schooner to the windward  
latter part more moderate the west end of Jamaica bore S<sup>W</sup>th. &c
